Communicating with School

Our Governors have recently reviewed our Communication systems within school and created a Communication Policy. The full policy and additional information can be found by clicking on this link - <https://www.st-annes.trafford.sch.uk/parent-information/communication-1>

Good communication between pupils, staff and parents is essential to provide the best possible outcomes for children at St. Anne's CE Primary School. This communication is not just about the school communicating but requires parents, pupils and staff to feel able to communicate their views, thoughts, aspirations, concerns and ideas.

How can staff communicate with parents?	How can parents communicate with the school?

World Book Day

WORLD
BOOK
DAY
2 MARCH 2023

This year, World Book Day falls on March 2nd. We will be celebrating this event in our class in a variety of ways. Our class text will be linked to science (in preparation for Science Week) and other texts that we have in our school library (thanks, FOSA!). **This year we will not be getting dressed up.**

Children will receive a World Book Day Voucher on 2nd March. The Scholastic Book fair will take place the week commencing 27th March (vouchers can be used during this week). On Friday 31st March we will be holding a cosy reading event - more information to follow!
