Y3 & Y4 Curriculum Roadshow

On Tuesday, we held our second curriculum roadshow. Our fantastic Year 3 and Year 4 pupils were able to proudly share their learning from the first half of the spring term. Their learning challenge questions was 'What Challenges does our Earth face?'

Our school community were able to see learning in all subject areas; join in with curriculum activities and enjoy a cake! The children's volcano project were particularly impressive.

A special thank you to our dedicated Year 3 and Year 4 Teaching Team. If you missed the event, you can see some of the images from the afternoon on

Y6 Fundraising

Based on our work in PSHE recently ('Dreams and Goals') the Year 6 children were challenged to decide on both a charity that they wished to support and a way of raising funds for the charity. They chose to support Cancer Research with a Cake Sale. Huge thanks to everyone who came along to our stall at the Lower Junior's Learning Roadshow - the sale raised a whopping £177.45!
